
SUMMARY OF POLICE GRANT PROJECT ORDINANCES

NEW ORDINANCES FOR FY 2003-2004:

The City of Durham and the US Department of Justice, Federal Asset Forfeiture Funds FY 2003/2004

Every year, the Police Department equitably shares in cash received from federal asset forfeitures and we set up a new ordinance each year to receive the expected revenues. The federal asset forfeiture revenue and all accrued interest must be used solely for law enforcement purposes to supplement, not supplant, the Police Department's existing resources.

The City of Durham and the State of North Carolina Controlled Substance Abuse Funds FY 2003/2004

Every year, the Police Department equitably shares in cash received from North Carolina controlled substances excise tax assessments, sometimes called Tax Stamp Funds, and we set up a new ordinance each year to receive the expected revenues. The controlled substance excise tax assessment revenue and all accrued interest must be used solely for law enforcement purposes to supplement, not supplant, the Police Department's existing resources.

The City of Durham and The US Department of Justice, Bulletproof Vest Partnership Funds FY2000/2001

Since 1999, the Police Department has participated in a reimbursement program with the U. S. Department of Justice Bulletproof Vest Partnership Program. We set up a new ordinance each year to receive the expected reimbursement of that year's portion of funds available in the Federal program for large cities. This program was established to assist municipalities offset costs incurred in supplying bulletproof vests to its officers.
